

November Newsletter - 2021

Dear Egypt Scholars Donors, We hope you are doing well and we would like to share with you our monthly newsletter for November 2021.

Counseling Services Team

The Counseling Services Center helps students who aim to study abroad by answering their questions. Since the beginning of 2021, the team members have received (298) questions.

The services provided by the Center range from answering general or specific questions in various fields to providing detailed advice on preparing to apply for postgraduate studies and grants abroad.

DAR Team

DAR team organizes many lectures in various fields, where specialized professors and experts give lectures, each in their field.

Most of these lectures are recorded and uploaded to our YouTube channel.

Upon the success of the first meeting and the high demand for another, Dar team held a second meeting with this distinguished team.

The meeting discussed how to apply for postgraduate studies (summer semester) in Germany.

If you would like to travel and register for a PhD or post-doctoral degree in Germany, you can watch this webinar with three representatives of the following universities: Technical University of Berlin, Freie University of Berlin, and Philipps-University Marburg.

Under the title:

Swedish Scholarship: How to be ready?

Egypt Scholars hosted three scholars who were awarded this grant.

In this meeting, we discussed the steps to apply for the Swedish government grant and how to prepare the necessary application documents.

We also discussed the difficulties you face during your travel and study in Sweden.

The First Muslim Community Robotics Team in Dallas

Streaming at **Nov 6 2021**
4:30PM

A special meeting with the Marvels (the Masjid Programmers). We got to know them more closely, their success story and ambition and how they built robots, as well as the competitions they participated in and the prizes they received.

The Marvels started their activities in New Mexico in 2016, under the leadership of the Egyptian scientist Dr. Mohamed Obaida (the founder of the team). Since then, the Marvels team has won more than 25 trophies in different competitions.
