

2022 - 1st Quarter Newsletter

Dear Egypt Scholars Donors, We hope you are doing well and we would like to share with you our newsletter for the first quarter of 2022.

Counseling Services Team

The Counseling Services Center helps students who aim to study abroad by answering their questions. Since the beginning of 2022, the team members have received (74) questions.

The services provided by the Center range from answering general or specific questions in various fields to providing detailed advice on preparing to apply for postgraduate studies and grants abroad.

Documents Revision Team

This team is responsible for revising the documents of students seeking to study abroad. The Team supports students by providing them with remarks and comments to enable them to properly apply and submit their documents. The team members have received (229) documents revision requests from the beginning of the year until now.

Egypt Scholars Library

Egypt Scholars Library offers you a space to share your passion for writing about science and science journalism with thousands of people interested in science. The Library is here to connect you to a larger community of science readers and gives you an opportunity to develop your skills and experience by contributing to the establishment of a reliable scientific platform for Arabic readers and writers. Send us your writings about science that you want to publish and communicate to Arab readers [here](#).
