

## Writing sample title

Author name

*The writing sample will be a summary of a research proposal in your field of study or a summary of the research you previously conducted. If it is your own research, please clarify that and if possible cite your publication.*

### **Background:**

An opening sentence or two placing the work in context.

### **Aims:**

One or two sentences giving the purpose of the work.

### **Methods**

One or two sentences explaining what was (or will) be done.

### **Results:**

One or two sentences indicating the main findings (or what you hope to accomplish with the research).

### **Conclusions:**

One sentence giving the most important consequence of the work – what do the results mean? How will they be used?

Word limit: (250-500 words not counting references)

Figure1. An illustrative figure is allowed but not compulsory

### References:

[1] Any scientific referencing style is allowed
